Fourth Interschool English Song Festival and Spelling Bee Contest 2010

Accommodation

Students and teachers from other cities, who need accommodation, might stay at other student's/ teacher's home from La Salle School Bucaramanga. If so, please let us know it as soon as possible.

They (2 contestants for the Spelling Contest, 1 for the English Song Festival and 1 teacher) should come to the school the day before the contest in order to assign them the place they are going to stay in. We will give you the information about the hosting family soon so you can get in touch with them and get familiar. Up to us it is urgent to have the information about the number of students who are going to come and keep the established number by the date of the activity as a matter of organization. (We won't accept any more students after the information is sent).
